Hustle Workshop Kicks Off 2006 Workshop Series

By Wayne Peleti

Saturday January 6th, Innovations kicked off it's 2006 DanceSational Workshop series with an "awesome" hustle workshop taught by Archie and Melanie Dawson. In addition we had as special guest DJ, Parker Dearborn who delighted party attendees with his tunes. About 50 people were treated to an excellent workshop and over a hundred came out to dance to some dynamite dance tunes.

Archie and Melanie did an excellent job of teaching some very cool hustle moves. The workshop included syncopated footwork, body styling, six count patterns, and lots of other good stuff. It was a little challenging but we got it eventually and everyone had fun doing it.

Archie and Melanie started a hustle club in San Diego last year. This year they will be hosting dances again at North County Ballroom in Encinitas. Keep an eye out for their dance schedule if you want to get in an evening of great hustle dancing. Information should be available on our website or you can search the internet for Gotta Dance San Diego.

A big thank you goes out to all the people who helped with setup and cleanup (including early birds like Rick and Shana). And a special thanks to Parker Dearborn for being our DJ and providing a wonderful music mix.

Our Vice President, Carol Ann Palmer, has a great lineup of workshops planned this year. Up next is Night Club 2-Step Michael and Dawn Kiehm. It's sure to be a beautiful dance lesson. So don't miss this coming Saturday February 4, 2006. Oh, and if you want to warm up we have come on out to our weekly Friday dance. See You Out Dancing!
